"*A Night of Hope*"

Annual Gala

Friday, November 10th, 2023
Evansville Country Club

Master of Ceremony
Mr. Tanner Holbrook

The mission of The Alex and Ali Foundation is to empower and enhance the lives of adults with autism and other developmental disabilities by providing opportunities for job skill development, vocational activities and meaningful community involvement.

Wonderfully made. Perfectly unique.

The Hope Gallery Difference

The Hope Gallery fulfills a significant need in our community for individuals with various disabilities. After high school, there are very few resources and opportunities for purposeful work. The grim reality is that many of these adults have nowhere to go, nothing to do and very little interaction within their community. They WANT to work and have the capability to be productive with guidance.

The Hope Gallery is the missing piece of the puzzle that fills the gap by providing a safe place for these individuals to learn, work, and have purpose.

In one year, we have served over 80 Team Members who take ownership of running the business. Their jobs include:

Stocking shelves	Excel spreadsheets	Transaction processing
Thank you notes	Customer interaction	Document Shredding
Email creation	Ordering inventory	Environmental maintenance

Our Team Members learn various vocational skills including:

Weaving	Flower pressing	Jewelry making
Grouting	Tile cutting	Counting money
Hammering	Public speaking	Engraving

All of the items sold at The Hope Gallery showcase the talent of individuals with disabilities across the world by partnering with over fifty artisans and like-minded organizations. Our Team Members proudly hand make:

Rugs

Scarves

Placemats

Jewelry

Mosaic tile art

Greeting cards

We have also created an empowering community where they are accepted and celebrated for the amazing people that they are. The Hope Gallery hosts events to interact socially including bingo nights, dance and karaoke parties, and movie nights.

Team Members also take pride in giving back to our community through volunteering with other organizations. This year we have partnered with the Town of Newburgh, Historic Newburgh Inc., Feed Evansville, and Crossroads Church. We also provide free document shredding.

Our vision is for every Team Member to know that they have value and worth as they do purposeful work. We see their ability instead of a disability.

We thank you for your support as we celebrate the unique value of every single person and recognize that we all need a purpose, a job, and a safe community.

Meet our Emcee

Tanner Holbrook is an award-winning morning news anchor on 14 News Sunrise at WFIE-TV.

Joining the team in 2019, Holbrook has held multiple positions at the station, including reporter and weekend anchor. He has won several awards for his reporting on stories that impact people in the Tri-State area.

Before coming to Evansville, Holbrook attended Ball State University, and graduated with a dual degree in Journalism and Telecommunications with a minor in Sociology.

During his time at BSU, he served as a radio anchor and reporter for 100.3 WLKI News in Northern Indiana for several years and also as an intern at Local 12 News WKRC-TV on their morning show Good Morning Cincinnati.

While at BSU, Holbrook met one of his best friends, Katie Parker, sister of Hope Parker, the namesake for The Hope Gallery. Since their graduation, Tanner, Katie and her family have remained close, which is why emceeding tonight's Gala is so important to him.
